

GUESTS GET FIVE GOALS

Wycombe 5 L'ghboro' Colls. 1

WITH three professional guest players strengthening their attack—and the guests scored all their goals Wycombe Wanderers produced sparkling football to beat the strong Loughborough Colleges side in the Wycombe Hospital Cup match at High Wycombe.

The polish of the three professionals as inside forward, Mike Keen, of Queen's Park Rangers, Geoff Truett, of Crystal Palace, and Dennis Edwards, of Charlton, all former Wycombe players, was well backed by the Wycombe halves and by wingers Worley and Horseman.

Loughborough were on the defensive for long periods. But in the first half the excellent anticipation and the quick recovery of the Colleges' backs kept the Wycombe attack well in check. And a goal by Truett after 15 minutes was equalised a few minutes before half-time by inside right Redhead, who with Bradshaw was often prominent in the Colleges' fast moving forward line.

But Keen put Wycombe ahead nine minutes after the restart. Truett increased the lead eight minutes later, and before the end Edwards added two more goals in spite of the vigilance of Wilson.
